- (2) Demonstrating compliance. (i) To demonstrate compliance in the first fiscal year the State receives a grant based on this criterion, the State shall submit a description of its DWI tracking system, including:
- (A) A description of the means used for the collection, storage and retrieval of data;
- (B) An explanation of how the system is linked to data and traffic records systems in appropriate jurisdictions and offices within the State;
- (C) An example of available statistical reports and analyses; and
- (D) A sample data run showing tracking of a DWI arrest through final disposition.
- (ii) To demonstrate compliance in subsequent fiscal years, the State shall submit a report or analysis using the DWI tracking system data, demonstrating that the system is still in operation.
- (f) Other innovative programs—(1) Criterion. An innovative program to reduce traffic safety problems resulting from individuals operating motor vehicles while under the influence of alcohol or controlled substances, through legal judicial, enforcement, educational, technological or other approaches. The program must:
- (i) Have been implemented within the last two years;
- (ii) Contain one or more substantial components that:
- (A) Make this program different from programs previously conducted in the State; and
- (B) Have not been used by the State to qualify for a grant in a previous fiscal year based on this criterion or in any fiscal year based on any other criterion contained in §§1313.5, 1313.6 or 1313.7 of this part; and
- (iii) Be shown to have been effective.
- (2) Demonstrating compliance. To demonstrate compliance for a grant based on this criterion, the State shall submit a description of the innovative program, which includes:
 - (i) The name of the program;
- (ii) The area or jurisdiction where it has been implemented and the population(s) targeted;
- (iii) The specific condition or problem the program was intended to address, the goals and objectives of the

program and the strategies or means used to achieve those goals:

- (iv) The actual results of the program and the means used to measure the results:
- (v) All sources of funds that were applied to the problem; and
- (vi) The name, address and telephone number of a contact person.

§1313.8 Award procedures.

- (a) In each Federal fiscal year, grants will be made to eligible States upon submission and approval of the application required by §1313.4(a) and subject to the limitations in §1313.4(b). The release of grant funds under this part shall be subject to the availability of funding for that fiscal year. If there are expected to be insufficient funds to award full grant amounts to all eligible States in any fiscal year, NHTSA may release less than the full grant amounts upon initial approval of the State's application and documentation and the remainder of the full grant amounts up to the State's proportionate share of available funds, before the end of that fiscal year. Project approval, and the contractual obligation of the Federal government to provide grant funds, shall be limited to the amount of funds released.
- (b) If any amounts authorized for grants under this part for a fiscal year are expected to remain unobligated in that fiscal year, the Administrator may transfer such amounts to the programs authorized under 23 U.S.C. 405 and 23 U.S.C. 411, to ensure to the extent possible that each State receives the maximum incentive funding for which it is eligible.
- (c) If any amounts authorized for grants under 23 U.S.C. 405 and 23 U.S.C. 411 are transferred to the grant program under this part in a fiscal year, the Administrator shall distribute the transferred amounts so that each eligible State receives a proportionate share of these amounts, subject to the conditions specified in §1313.4.

APPENDIX A TO PART 1313—TAMPER RESISTANT DRIVER'S LICENSE

A tamper resistant driver's license or permit is a driver's license or permit that has one or more of the following security features:
